ABN Table Lamp

Aldo van de Nieuwelaar, abn table lamp, Netherlands, 1970s

The ABN table lamp was designed by Dutch designer Aldo van den Nieuwelaar in 1975 as a commission for the Dutch ABN bank. Produced in a limited edition through the designer's own atelier, the lamp is a distinctive example of Van den Nieuwelaar's precise, minimalist approach to lighting. Contemporary examples and period-market documentation consistently identify the design as an ABN commission and note its limited production.
