Table Lamp 'Blitz'

Trabucchi, Vecchi & Volpi for Stilnovo, table lamp, metal, Italy, 1970s

Designed in 1972 by Claudio Trabucchi, Gianni Vecchi & Gianni Volpi for Stilnovo, the Blitz Table Lamp is a striking example of Italian functional minimalism at its best. Defined by its sharp, geometric silhouette and vibrant color, the Blitz embodies the optimism and innovation of early-1970s design.

The lamp's distinctive folded-steel form seems almost aerodynamic, a dynamic composition of curves and planes that channel the era's fascination with industrial aesthetics and clean lines. Its bold yellow lacquer finish adds warmth and energy, transforming this piece into both a source of light and a sculptural statement.

Perfect for a work desk, sideboard, or modern interior, the Blitz radiates character, capturing Stilnovo's pioneering spirit in reimagining everyday lighting as a piece of art.
