# Blue Glazed Stoneware Table Lamp

Einar Johansen for Søholm Stentøj, table lamp, ceramic, fabric, Denmark, 1960s

An elegant ceramic table lamp designed by Einar Johansen for Søholm Stentøj in Denmark during the 1960s. Characterised by its sculptural form and richly textured surface, the lamp is a fine example of Danish mid-century ceramic design, combining geometric decoration with the expressive qualities of glazed stoneware.
