Ceramic Disk Wall Lamps, Set of 3

Noomi Backhausen & Poul Brandborg for Søholm Stentøj, set of three wall sconces, ceramic, brass, metal, Denmark, 1960s

Three sunbursts in fired clay, this set of Scandinavian Modern wall sconces brings the warmth of a Danish 1960s pottery to the wall. Designed by Noomi Backhausen and Poul Brandborg and made by Søholm Stentøj on Bornholm, each disc pairs a speckled, sand-coloured stoneware rim with a glazed relief centre and a small brass cap. Hung together, they read as one composition, each with its own rings of colour.
