Chrome and Fabric Mid-Century-Modern Stool ‘Brume’, Set of 5

chrome and fabric mid-century-modern stool ‘brume’, Germany, 1960s

This elegant set of five mid-century modern stools embodies the clean architectural aesthetic that defined European design during the 1960s. Manufactured in Germany and inspired by the timeless work of Florence Knoll and modernism, the stools combine minimalist proportions with refined materials, making them equally suitable as occasional seating, vanity stools, or versatile accent pieces in both residential and commercial interiors.
