Glass & Brass Wall lamps 'Gefion', Set of 2

Carl Fagerlund for Orrefors & Lyfa, pair of wall sconces model 'Gefion', brass, glass, Sweden, 1960s

A pair of Scandinavian Modern wall sconces, the 'Gefion' model designed by Carl Fagerlund for Orrefors and Lyfa in Sweden in the 1960s. Each is a curved sheet of heavily textured glass on a brass backplate, its scalloped top and bottom edges catching the light like the rim of melting ice. Both are all original and marked with the Lyfa label.
