Glass Table Lamp with Raw Silk Shade

Uno & Östen Kristiansson for Luxus, glass table lamp with raw silk shade, Sweden, 1970s

This elegant Luxus table lamp is defined by its refined silhouette and subtle material contrast. The white glass base, shaped like a softly flared trumpet, creates a clean and sculptural foundation with a smooth, understated presence.

Topped with a raw silk shade, the lamp gains warmth and texture. The natural irregularities of the silk gently diffuse the light, producing a soft, atmospheric glow that enhances the purity of the glass form.

Balanced and timeless, this piece works beautifully on a bedside table, console, or sideboard, adding quiet sophistication and tactile richness to both modern and classic interiors.
