Large Brass Wall Lamps, Germany, 1980s

wall sconce, brass, metal, Germany, 1980s

Long, low and gleaming, these Mid-Century Modern wall sconces were made in West Germany in the 1980s in polished brass. Each one reaches out on a slim swing arm and ends in an angled brass shade, like a small roof folded from a single sheet of metal, and each carries the words Made in West Germany on the inside.
