Large Brutalistic Sculptural Circle Pine Mirror '176'

Glas Mäster Markaryd, mirror model '176', pine, mirror, Sweden, 1970s

Part furniture and part folk sculpture, this large Scandinavian Modern wall mirror was made in Sweden by Glas Mäster Markaryd in the 1970s. Its solid pine frame, model 176, still carries the maker's original paper label on the back, complete with a small drawing of the mirror and its number. Along all four sides the wood swells and narrows in a rhythm of bulbs, discs and slender waists, and at the corners the rails cross like logs in a cabin wall.
