Large Glass Table Lamp

Hsin-Lun Ling for Holmegaard, large glass table lamp, Denmark, 1980s

This large glass table lamp by Hsin-Lun Ling for Holmegaard is a striking example of late Scandinavian modern design. Crafted in Denmark during the late 1970s or early 1980s, the lamp features a sculptural hand-blown glass base with soft organic curves that create an elegant sense of rhythm and transparency. Hsin-Lung Lin's lighting designs for Holmegaard are celebrated for their balance between minimalist form and artistic expression, combining Danish craftsmanship with a distinctly modern silhouette.
