Model 1033 Large Ceramic Table Lamp

Søholm Stentøj, table lamp, ceramic, fabric, Denmark, 1960s

An elegant large ceramic table lamp, Model 1033, produced by Søholm Stentøj in Denmark during the 1960s. Characterised by its elongated silhouette, geometric relief decoration and richly coloured glaze, the lamp is a fine example of Danish mid-century ceramic lighting, combining sculptural proportions with the expressive qualities of glazed stoneware.
