Model 32391 Brass and Bakelite Table Lamp

Bertil Brisborg for Nordiska Kompaniet, table lamp model '32391', Bakelite, brass, Sweden, 1940s

A gentle, lantern-like presence for a desk or side table, this Scandinavian Modern table lamp, model 32391, was designed by Bertil Brisborg for Nordiska Kompaniet in Sweden in the 1940s. Brass and Bakelite give it its bones, a slender dark stem rising from a stepped brass foot to a broad, softly textured shade crowned with a small brass ring.
