Model 6254 Brown Stoneware Table Lamp

Helge Bjufstrøm for Michael Andersen Bornholm, table lamp model '6254', ceramic, stoneware, fabric, Denmark, 1960s

A small, earthy Scandinavian Modern table lamp in Danish stoneware, model 6254, designed by Helge Bjufstrøm for Michael Andersen Bornholm in the 1960s. Its tapering brown body swells into a low, rounded foot, circled by a cream band of incised rectangles that runs around the base like a line of handwriting. It has the grounded, honest presence of a pot that happens to give light.
