Model B010 Large Brass Table Lamp, Set of 2

Bergboms for Bergboms, pair of table lamps model 'B010', brass, Sweden, 1960s

Two tall, stately columns of polished brass, these Scandinavian Modern table lamps were made in Sweden in the 1960s by Bergboms as model B010. Each slender brass cylinder rises from a stepped foot to carry a generous drum shade, so the pair stands like two candles set out for an occasion.
