Model B54 Swivel Teak & Brass Table

Hans Agne Jakobsson for AB Markaryd, table lamp model 'B54', metal, brass, teak, Sweden, 1950s

A Scandinavian Modern table lamp with the poise of a heron, the B54 was designed by Hans-Agne Jakobsson in 1955 and made by AB Markaryd in Sweden during the 1950s, and this example carries its attribution mark. A single teak arm leans out from a round black metal base edged in brass, and at its tip sits a black metal cone, pinched at the crown like a twist of paper.
