'Mushroom' Model LT226 Yellow Table Lamp

Carlo Nason for Mazzega, 'mushroom' model lt226 yellow table lamp, Italy, 1970s

Designed by Carlo Nason for Mazzega in the 1960s, the Model LT226 table lamp is a refined example of Italian Murano glass design from the period. Characterized by its distinctive mushroom-shaped silhouette, the lamp combines a broad domed shade with a cylindrical base, creating a composition that is both simple and remarkably effective.
