Rosewood Nesting Tables, Set of 3

Severin Hansen for Haslev Møbelsnedkeri, set of three nesting tables, rosewood, Denmark, 1960s

Gathered together, these three tables settle into one calm, low line of dark wood. This set of Scandinavian Modern nesting tables in rosewood was designed by Severin Hansen and made by Haslev Møbelsnedkeri in Denmark in the 1960s, a long table with two smaller companions that slide neatly beneath it and step out whenever the room needs another surface.
