Scandinavian Brass Pendant Lamp

Unknown designer, scandinavian brass pendant lamp, 1960s

This elegant Scandinavian pendant lamp from the 1960s–1970s combines refined craftsmanship with a timeless sense of form. Its gently flared silhouette, executed in brass with a subtle warm patina, captures light in a way that feels both modern and atmospheric. The softly curved contours reflect the Scandinavian tradition of designing light not just for function, but for mood and presence.
