Sculptural Oval Pine Table Lamps, Set of 2

pair of table lamps, pine, fabric, Sweden, 1970s

Two smooth eggs of honey-coloured wood, each crowned with a crisp cone of pale fabric, make this pair of Scandinavian Modern table lamps a quietly sculptural presence. They come from Sweden in the 1970s and are shaped in pine, with the grain sweeping around every curve and dark knots left proudly in view. Simple as the idea is, the pair has real wit, like two pebbles wearing paper hats.
