Sculptural 'Puzzle' Aluminium and Brass Candleholders , Set of 3

David Marshall, set of three candleholders model 'Puzzle', brass, aluminum, Spain, 1970s

Three wavering pillars of silver and gold, these Mid-Century Modern candleholders are the Puzzle model by David Marshall, made in Spain in the 1970s and signed on the base. Cast in aluminium and polished brass, they rise at three different heights, and their molten feet lock together into a single pool of metal or drift apart across a table.
