Sculptural Teak Bowls, Set of 3

sculptural teak bowls, teak, Denmark, 1960s

Three Scandinavian Modern teak bowls from Denmark, made in the 1960s, rest one inside the other like the opening petals of a flower. Each rim rises and falls in soft waves, so the set reads as a single sculptural form on the table, and as three generous serving bowls the moment you lift them apart.

The full description is online: bespokevintage.nl/collection/sculptural-teak-bowls-denmark-1960s-set-of-3/
