Vintage 'Gothic Wall II' Sculptural Brass Wall Lamp, Set of 2

Bent Karlby for Lyfa, pair of wall sconces model 'Gothic Wall II', brass, Denmark, 1970s

Pointed, glinting and a little theatrical, this pair of Scandinavian Modern wall sconces is the 'Gothic II', designed in 1970 by Bent Karlby and made by Lyfa in Denmark during the 1970s. Each lamp is formed from two curved leaves of brass, their tips drawn out into sharp points above and below, so the pair reads less like lighting and more like small sculptures fixed to the wall.
