Vintage 'Gothic Wall III' Sculptural Brass Wall Lamp, Set of 2

Bent Karlby for Lyfa, pair of wall sconces, brass, Denmark, 1970s

Three pointed brass arches in a row, repeated twice. This pair of Scandinavian Modern wall sconces is the 'Gothic III' model, designed by Bent Karlby in 1970 and made by Lyfa in Denmark during the 1970s. Each sconce is built from curved sheets of brass that rise to fine points above and below, so even unlit they read as small pieces of wall sculpture.
